

CLERY ACT COMPLIANCE

Is your school Clery compliant?

- Do you know what your Clery geography includes?
- Do you know how to collect crime statistics based on your Clery geography?
- Do you know who your Campus Security Authorities (CSA) are?
- Do CSAs know that they are CSAs and what their responsibilities are?
- Do you have clear emergency response procedures?
- Have you tested all of your emergency alert systems?
- Do you know the **NEW** VAWA/SaVe requirements?

Compliance is not a once a year event.

The Clery Act requires colleges & universities to:

- Publish an Annual Security Report
- Have a public crime log
- Disclose crime statistics for incidents that occur on campus, in unobstructed public areas immediately adjacent to or running through the campus and at certain non-campus facilities
- Issue timely warnings about Clery Act crimes which pose a serious or ongoing threat to students and employees
- Devise an emergency response, notification and testing policy
- Compile and report fire data to the federal government and publish an annual fire safety report
- Enact policies and procedures to handle reports of missing students

Do You Know the Costs of Non-Compliance?

Civil fine per offense is \$35,000

Loss of federal funding

Loss of reputation

Loss of confidence from students, employees, donors, and trustees

Cost of lawsuits

Average fine is \$120,000 per school

Protus3 Can Support Your Team

- Identifying your Clery Geography
- Identifying your Campus Security Authorities
- Gap Analysis
- Emergency Management Planning
- System Design, including Emergency Notification Systems
